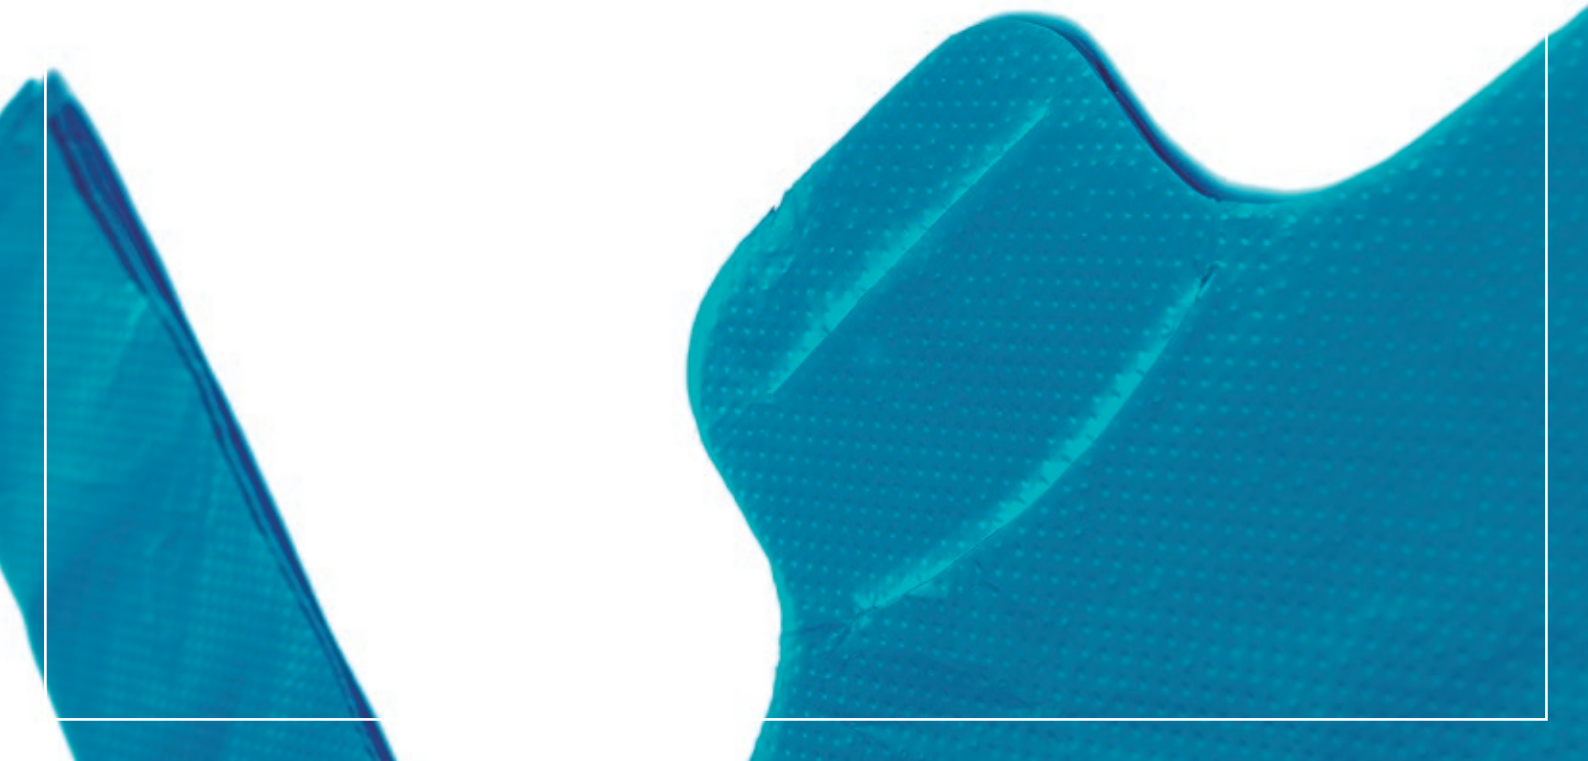
ASIMA PLASTIC FACTORY



Vision, Mission & Values

About us

Asima Plastic factory was founded in 1993. Over the last two decades it has gained an enormous wealth of experience in the packaging field and has been labelled as one of the largest plastic manufacturers in Qatar.

Located in Doha, Asima produces plastic vest carriers, patch handle, polythene sacks, bin liners, refuse sacks, polythene sheets and counter bags.

Our strategic plan is based on market risk diversification, focusing sales only on big traders and offering reliable eco-friendly products at affordable prices, all this supported by an excellent team, outstanding power supply and very low overhead costs.

We are proud to command a strong presence in Doha with some key clients like Carrefour, Qatar Airways and Qatar Hotel Association, but also deal with a good portfolio of distributors in Saudi Arabia, Bahrain, Spain, UK, Greece, Italy, France, Germany and recently in Australia.

Our Vision
To become one of the leading and more reliable Plastic Bags factories in Middle East shaping markets in Europe, Australia and North of Africa.

Our Mission
To satisfy our customers' needs through the generation of value by supplying high quality products and the best service.
